

February, 2023

YODELTER

Swiss Village, Winter Haven, FL 33881

From the President

Tom Bertz
863-594-2122
tom.bertz@gmail.com

The January elections are over. Homeowners have a new HOA Board (listed below) and, as always, “Life Goes On”!

I want to thank Dale Freeman and his Elections Committee for the flawless voting process this year. Committee members included Dale & Karen Freeman, Louis & Sue Seguin, Terri Reese, Nancy Martin, Joanne Darling, Jean Nunemaker, Lonnie Brooks, Bruce Macpherson, Bernice Packett, Elaine Buch and Ethel Fischer.

Over the next few months, your board will be reviewing our current bylaws & policies. Most of the revisions will focus on updating policies to reflect the reality of current operations in areas of sales taxes, insurance guidelines, emergency operations, community communications and others. Additionally, some of our bylaws need review.

All meetings of the Board and its Committees are public and will take place in the main clubhouse meeting room. Homeowners are invited and encouraged to attend. Most of the “working” meetings will take place during the day and the general park meetings will continue to take place on the 3rd Thursday of each month at 7:00 pm in the clubhouse.

I also want to acknowledge our outgoing Board Members. Paul Rodgers has provided four years of quiet but resourceful board service to our organization. Dale Freeman has given two years of council and guidance to the Board. Both of these individuals deserve our heartfelt “thank you” for their years of service to the community.

Lonnie Brooks, and his wife, are also leaving our community in February. He has served as a board member, bingo liaison, and defibrillator equipment (AED) maintenance, amongst many other activities in the community. We wish them well in the future.

Finally, a huge “THANK YOU” to our Social Committee members and all our fantastic volunteers for their willingness to step up and help keep our park moving forward and our residents entertained.

That’s all for this month. Please feel free to contact me anytime via email at tom.bertz@gmail.com, via phone (863-5934-2122 and 612-578-8238) or via foot at 233 Alpine. Coffee’s always on! I look forward to hearing from you and will do my best to address your concerns.

2023 HOA Board Members -

To our valued customers;

Our top priority is the health and safety of our employees and of our customers. Our employees are closely following the Centers for Disease Control's (CDC) guidelines and recommendation, like frequent hand washing, social distancing, and staying home if they are feeling ill.

We have taken steps to limit exposure to the virus by making our customers aware that there is no need to have any contact with our employees if you choose to do so. Our business falls under the state's guidelines as "Essential Business".

We want to build a great customer relationship with you. Call today for a Free Inspection. (800) 377-7885.

Stay Safe and continued Good Health.

To our valued customers;

During the current times we wanted to let you know that we are taking as many precautions as we can to ensure not only our workers safety but yours as well. We check workers' temperatures each morning and have limited the amount of contact our crews have with each other. Our crews work in Tyvek suits with respirators which helps to ensure your safety as well as theirs.

As a company, we want your business and there is no need for any contact if you so choose. Our business is deemed an "Essential Business" and we are here for you when you need us. You can schedule your inspection by calling 1-800-681-3772.

*Wishing you good health and safety,
The Florida Anchor & Barrier Team*

Are Your Tie Downs Tight?

- Hurricane Anchors • Tie Downs
- Leveling • Blocking • Carport Tie Downs
- Stabilizing Devices • Roof-Over Strapping

- Replace Rusted Anchors • Add Anchors
- Longitudinal Stabilizing • Retro-fit to Current State Standards

If your home moves even a few inches during a storm your home will suffer severe damage. Loose tie downs do not protect your home, they must be tightened every 3 to 5 years. Have your tie-downs inspected NOW, before the storms!
